

# DISCLAIMER – DIGITAL ASSETS & COURSE MATERIALS

The Complete Digital Marketing Guide

## IMPORTANT NOTICE 📢

By accessing and using the materials provided in this course, you acknowledge and agree to the following terms:

### 1. Educational Use Only 🎓

- All digital assets, images, templates, and resources provided in this course are strictly for **educational purposes only**.
- These materials are meant to help you **learn** how to create a marketing strategy, build a website, and set up a checkout system—**not** to be used for real-world commercial purposes.

### 2. Prohibited Use of Assets 🚫

- **You may NOT** sell, distribute, modify, or repurpose any of the provided images, designs, product descriptions, or other media for commercial gain.
- The digital assets provided (**including but not limited to product images, mockups, videos, and website templates**) **must not** be used to sell real products or **mislead others** into believing they are your original creations.
- **You cannot claim ownership** of these assets or transfer them to others for commercial use.

### 3. Liability Waiver ⚖️

- Robin & Jesper, as course instructors, **disclaim all liability** for any misuse of the digital assets or course materials.
- If you violate the terms of Canva, Envato Elements, or any other third-party platform, **you assume full legal responsibility** for any consequences, including potential legal action from those providers.
- This course is for **learning purposes only**. We **do not endorse** or support any unauthorized commercial use of the provided assets.

### 4. Student Responsibility 🛠️

- If you want to create and sell your own product or website, **you must use legally obtained** images, templates, and assets.

- You are fully responsible for ensuring that any materials used in your marketing strategy **are properly licensed and comply with copyright laws**.
- The instructors **will not assist with obtaining** commercial rights for any assets used in the course.

## 5. Clarification on Product Used in the Course 🔍

- The **SmartFlow Bottle (or any other product featured in this course)** is entirely **fictional** and created **for training purposes only**.
- Any attempt to **sell, market, or monetize this product using course-provided assets is strictly prohibited**.
- Any **financial loss or legal consequences** resulting from misuse of course materials is **entirely the responsibility of the student**.

## ✅ Acknowledgment & Acceptance

By continuing with this course and using its resources, **you confirm that you understand and accept these terms**. *If you do not agree with these terms, you should not use the provided materials.*

Robin & Jesper,
